

Upgraded Breastwork Project at NSC

This is underway, and we need YOUR help!

The current breastwork will be replaced by a concrete walkway.

Why? To make the walkway safer; to protect the Clubhouse; to enhance the area; to allow new marina development in the future.

We are raising funds: (over \$250,000)

- **Applying to Funding agencies**
- **Appealing for Donations—can be made through our website (napiersailingclub.org.nz)**
- **Fundraiser event coming in September!!!**
- **Asking for Volunteers—working bee for demolition of present walkway**

YOUR CLUB NEEDS YOU!!!
